

# GIN

## **Adnam's Copper House** 40%, £3.50

From famed Southwold brewer Adnams. Drawing on their brewing experience they've made a barley spirit and used it as a base for a big juniper heavy gin.

## **Adnam's First Rate** 48%, £4.00

**NEW!** Distilled from locally-grown barley, wheat and oats. Adnams makes a beer 'wash' from these grains which is fermented to around 6% abv without hops. This is then reduced to a pure spirit. Only the very purest portion of the spirit is drawn off, the finest cut, which is returned to the copper pot still to be redistilled and infused with thirteen carefully chosen botanicals.

## **Adnam's Rising Sun** 42%, £3.50

**NEW!** Made from malted rye, this gin has been produced using the London Dry method with added Japanese Matcha Tea, lemongrass and juniper berries plus a specially selected blend of botanicals (orange peel, ginger, grains of paradise, cubeb, angelica). This Gin is refreshing and full of natural aromatic flavours, best served with a good tonic.

## **Aviation American Gin** 42%, £3.60

Batch distilled Gin from Oregon, Dutch in style, distilled from rye and flavoured with juniper, lavender, anise, sarsaparilla, orange peel and cardamom.

## **Berry Bros. No.3 Gin** 46%, £3.40

Made to a special recipe, the name No.3 refers to the address of BBR - Number 3, St James's Street. With juniper at its heart, it's also made with three fruits and three spices using copper pot stills.

### **Blackwood's Vintage Dry Gin 40%, £3.40**

**NEW!** Made with hand-harvested Shetland botanicals picked fresh each summer by local crofters, this gin is always fresh and lively but uniquely reflects each vintage. At time of going to print the vintage was 2012.

### **Bombay London Dry Gin 37.5%, £3.10**

One of the great old-school style London Gins, Bombay Original was first introduced in 1959 and is the precursor of the now more famous Bombay Sapphire.

### **Bombay Sapphire Gin 40%, £3.10**

Credited with kick-starting gin's fashionability since its launch in 1987, Bombay Sapphire has become a truly iconic brand, with its distinctive blue bottle recognisable in bars the world over.

### **The Botanist Islay Dry Gin 46%, £3.50**

**NEW!** An unusual gin from Islay whisky distillery Bruichladdich, made in a Lomond still christened Ugly Betty. It contains 31 botanicals, of which 22 are native to Islay itself. These include the likes of mugwort, meadowsweet and Lady's Bedstraw flowers. The resultant dry gin is described, unsurprisingly, as 'floral'.

### **Brecon Botanicals 43%, £3.30**

A small batch premium gin from Wales's Penderyn distillery. Originally produced for the gin-mad Spanish market, this is diluted to a punchier-than-usual 43% with Brecon Beacons water.

### **Brockman's 40%, £3.40**

Flavoured with 10 botanicals, Brockmans is proud of its 'Intensely Smooth' and fruity gin, one that's equally at home with tonic or ginger ale, as well as just on its own over ice.

### **Brooklyn 40%, £3.80**

**NEW!** Multi award winning - Brooklyn Gin is full of flavour with freshness and complexity. Using 100% fresh citrus peels and hand cracked juniper, which releases the essential oils, results in this renowned American gin.

### **Bulldog 40%, £3.50**

Super premium gin from Norfolk wheat, Welsh water and 12 botanicals: Chinese dragon eye, Turkish white poppy seeds, Italian juniper, Moroccan coriander, German angelica, Spanish lemon, Chinese liquorice, Italian orris, Spanish almonds, Asian cassia, French lavender and Asian lotus leaves. Phew!

### **Cotswolds Dry Gin 46%, £3.80**

**NEW!** A classic well-balanced juniper-led gin with crisp citrus and spice. This gin is delicious on its own and over ice. It's robust enough to stand up to tonic and smooth enough to craft the ultimate gin martini.

### **Dà Mhìle Organic Seaweed Gin 42%, £3.20**

**NEW!** With a mix of 20 organic botanicals, from the old favourites juniper and coriander to some interesting and home-grown treats like red and white clover, gorse and chamomile, the Welsh Dà Mhìle distillery have created a unique, small batch gin.

### **Death's Door Gin** 47%, £4.00

Wisconsin. Made in small batches with organic red winter wheat on Washington Island and bottled at a higher-than-usual strength.

### **Edinburgh Christmas Gin** 43%, £3.50

**NEW!** A festive gin made with two classic Christmassy botanicals - frankincense and myrrh. The result has an aromatic, fragrant nose and a warming palate with hints of orange blossom and cooking spices. Fantastic in a G&T and perfect for a Christmas Eve tipple.

### **Edinburgh Seaside Gin** 43%, £3.90

**NEW!** A limited edition making use of some intriguing Scottish ingredients from the coast, like seaweed, ground ivy, gorse flowers and scurvy grass (which sailors used to eat when suffering from scurvy for its precious Vitamin C). A superb summer tipple capturing the essence of the seaside.

### **Forest Gin** 42%, £4.50

Cheshire. Hand-crafted, small-batch gin produced using a range of botanicals native to Macclesfield Forest, such as wild bilberries, wild gorse flowers, wild raspberries, and local moss. Most is sold at Harvey Nichols. Organic.

### **Gabriel Boudier Saffron Gin** 40%, 3.50

Made to a unique recipe discovered in the annals of French Colonial past when both England and France claimed India as it was rich in exotic botanicals. The gin is handcrafted in small batches

### **Gordon's London Dry Gin** 37.5%, £2.80

One of the top ten-selling spirits in the world, and has been made to the same recipe since the late 18th Century. Although not the same ABV.

### **Hayman's Family Reserve** 41.3%, £3.30

London. Rested in Scotch whisky casks for three weeks before bottling. This imparts fragrant notes of oak and a softer mouth feel to the gin.

### **Hayman's London Dry** 40%, £3.20

Juniper, coriander, orange and lemon peel are used to craft this distinctive gin, loads of flavour, loads of body. A first class London Dry.

### **Hayman's Old Tom** 40%, £3.40

An old-fashioned, sweeter style gin recipe from the 18th Century. Recently this style has risen in popularity thanks to its association with classic gin cocktails.

**Hayman's Royal Dock Navy Strength** 57%, £3.60 Created following demand for higher strength spirits from bartenders and is named after the old Naval base in Deptford, East London.

### **Hendrick's Gin** 41.4%, £3.40

A superb, and utterly unique, pink-tinged gin from William Grant's. Infused with rose petals and cucumber as well as the normal botanicals, this is a must for all gin-lovers.

### **Hereford Dry Gin** 40%, £3.00

**NEW!** A superb, and utterly unique, pink-tinged gin from William Grant's. Infused with rose petals and cucumber as well as the normal botanicals, this is a must for all gin-lovers.

### **Hunter's Cheshire Gin** 43.3%, £3.40

A wonderful premium gin from Cheshire. It's made in traditional copper pot and rectifying stills (some of

which being more than a century old!) and is flavoured with botanicals including juniper from the Balkans, French angelica, Spanish lemon peel and Florentine orris root.

### **Juniper Green Organic** 37.5%, £3.10

A London Dry Gin certified organic by the Soil Association, Juniper is something of a first. The palate is light and elegant, with a gentle burst of spice at the finish.

**Langley's No.8 London Gin** 41.7%, £3.60 **NEW!** Named after the number of botanicals used. Aimed at the sophisticated male gin drinker. Made in small batches using the purest 100% English Grain Spirit, it is hand crafted specifically to let the selected botanicals do the talking. An old-fashioned gin, perfect for a traditional gin and tonic.

### **Leopold's Gin** 40%, £4.00

Made from grain and botanicals which are organic within the city's boundaries. The botanicals include coriander, angelica and citrus.

### **Liverpool Gin** 42%, £4.10

Liverpool Gin is made from grain and botanicals which are organic within the city's boundaries. The botanicals include coriander, angelica and citrus.

**Martin Miller's England Iceland** 40%, £3.40 Small batch pot still gin, blended with extra-pure Icelandic spring water. Martin Miller's gin is rated 94 points (Exceptional) by the Beverage Testing Institute.

### **Mombasa Club London Dry** 41.5%, £3.90

**NEW!** Takes its name from a private social club founded in 1885, whom imported gin from England to the island of Zanzibar for their members to enjoy. It is four times distilled and features a botanical selection that includes juniper, cassia bark, angelica root, coriander seed, clove and cumin, resulting in a bold, spicy flavour profile.

### **Nelson's London Dry Gin** 42%, £3.60

**NEW!** A small batch gin from Nelson's Distillery & Gin School in Grindley near the Uttoxeter. Made with a range of botanicals from around the globe including lemongrass and kaffir lime leaves from Thailand, vanilla from Madagascar and cinnamon from Sri Lanka.

### **Opihr Oriental Spiced** 40%, £3.30

A premium spiced gin. Along with some of the regular botanicals you'd expect in a London Dry they also infused cubeb from Indonesia, black pepper from India and Moroccan Coriander for a uniquely spicy flavour.

**Pinkster** 37.5%, £3.50

**NEW!** The 'Agreeably British Gin', 5 botanicals are used to create this gin. Pinkster is the brainchild of Stephen Marsh, and is now distilled to the company's own recipe by G&J before being hand-steeped in the raspberries that lend it both its pink hue and subtle fruitiness.

**Plymouth Gin** 41.2%, £3.00

Made at the historic Black Friars Distillery in the Devon town, it is drier than the London Dry style. Much respected and geographically protected.

**Sipsmith London Dry Gin** 41.6%, £3.50

Distilled from the finest English wheat spirit with ten carefully selected botanicals, and blended with the exceptionally pure water of Lydwell spring, the source of the River Thames.

**Sipsmith V.J.O.P. Gin** 57.7%, £4.20

Very Junipery Over Proof. Sipsmith employ a 'triple juniper' technique which adds the juniper at three stages - first it is macerated for three days, then more juniper is added to the pot still and finally vapour infused into the spirit. Bottled at raised ABV.

**Sir Robin of Locksley Gin** 40.5%, £3.50

Sheffield. Has a radiant flavour profile thanks to the botanical selection, which includes elderflower, dandelion and pink grapefruit. Delicious on its own.

### **Sloane's Dry Gin** 40%, £3.30

**NEW!** Made in the Netherlands. A hearty handful of botanicals have gone into Sloane's gin, including iris root, coriander, angelica root, cardamom pods, liquorice root and whole vanilla beans. Sloane's individually distill each of these botanicals for their gin, resulting in a unique flavour profile that seduces the palate.

### **Tanqueray London Dry Gin** 43.1%, £3.10

Very popular gin. Has a fruity, spicy palate with big zesty, citrusy top notes which make this gin the perfect all-rounder.

### **Tanqueray Rangpur** 41.3%, £3.10

Flavoured with Rangpur limes (also known as mandarin oranges). These highly acidic fruits, actually orange in colour, impart a fresh, zesty zing to this refreshing gin.

### **Tanqueray No. 10** 47.3%, £3.50

A fine small batch London dry gin made in pot still number 10. It is citrusy and full bodied.

### **Tiger Gin** 40%, £3.30

**NEW!** A premium quality gin distilled in Shrewsbury using pure English water blended with the finest quality botanicals, spices and grain that is carefully selected and sourced each season from the best harvests around the world. Tiger Gin is crafted by artisan master distillers using traditional methods.

**Warner Edwards Harrington Dry** 44%, £3.40 Northamptonshire. Produced in a barn in the village of Harrington. The main three botanicals are juniper, coriander and cardamom, which have helped to produce a gin that's beautifully balanced.

**William's Chase Great British Extra Dry** 40%, £3.50 A lighter but more powerfully flavoured gin from the folks at Williams Chase – an extra dry.

### **William's Chase Elegant Gin** 48%, £3.50

A deliciously tasty gin from Herefordshire. Wonderfully fresh (and pleasantly potent) gin, distilled from their own organically grown apples.

## FRUIT GIN

### **Foxdenton Damson Gin** 18.5%, £3.50

A wonderfully flavoured Damson Gin that is deliberately a little drier than some of the more commercial brands, allowing the rich damson fruit to shine through and making it all too easy to drink.

### **Foxdenton Sloe Gin** 27%, £3.50

The traditional flask filler made from the fruit of the Blackthorn. Drier and stronger than most of the alternatives. Rich and warming on its own or it makes a great alternative to cassis with champagne.

See the Goliath bottle on the bar.

### **Hayman's Sloe Gin** 26%, £3.40

A rich ruby red liqueur bursting with smooth and intense bitter sweet fruit flavours. Made to a long standing family recipe with wild, hand-picked sloe berries.

### **Sipsmith Sloe Gin** 29%, £3.60

A blend of Sipsmith London Dry Gin and hand-picked Dartmoor sloe berries. Subtle, complex and bursting with flavour.

**Warner Edwards Victoria's Rhubarb Gin** 40%, £3.40 Made with Queen Victoria rhubarb, a type formerly grown at Buckingham Palace. Softened, pressed, and combined with Harrington Dry Gin. Works exceptionally well with tonic or ginger ale.

### **Warner Edwards Sloe Gin** 30%, £3.40

Combines their Dry Gin – with the main three botanicals of juniper, coriander and cardamom – and handpicked sloes from England and Wales.

**Warner Edwards Elderflower Gin** 40%, £3.40 Uses Harrington Dry as a base, which is then infused with fresh elderflower from Harrington in Northamptonshire and Rhualt in North Wales.

**Williams Chase Seville Orange Gin** 40%, £3.50 The Elegant Gin, re-distilled and marinated through fresh Seville Orange marmalade. Light nectar in appearance, natural floral oils upfront followed by fruity notes like a luscious hot cross bun.

**Williams Chase Sloe & Mulberry Gin** 30%, £3.70 This is a blend of their gin, infused with Herefordshire sloe berries for eight months and then combined with mulberries.
